Dear Inspector,

### **DRAFT 2024 INSPECTION REPORT – COURT CUSTODY CENTRES**

Thank you for your draft report in relation to court custody centres, which I read with interest. I have no comments to make in relation to the report and as none of the recommendations require action by the Children's Court no other formal response is required.

On behalf of the court, I would like to thank you and your staff for undertaking the inspections and preparing this very helpful report.

Yours sincerely,
